

# Bring Me The Horizon, n/A

hi  
my name's oli  
and i'm an addict  
i'm here cos i'm not quite all there  
cos what used to be my idea of a laugh is  
now just me checking my pulse  
in my underwear

thinking i should drop dead  
eat shit  
go to hell  
i could jump  
head first out the window  
dark thoughts  
keep on filling up in my mind, oh oh  
kinda wanna get fucked  
make love to a chainsaw  
wrap my  
droptop round a lamp post  
not sure  
i'll be coming back down this time

hello oli you fucking knobhead  
(yeah)  
did you think you had us fooled?  
and baby i know that i  
told you i was out of the woods  
but i still left a key under the mat for the wolves

so maybe i should drop dead  
eat shit  
go to hell  
i could jump  
head first out the window  
dark thoughts  
keep on filling up in my mind  
kinda wanna get fucked  
make love to a chainsaw  
wrap my  
droptop round a lamp post  
not sure  
i'll be coming back down this time

fuck it  
got out on good behaviour  
i'm sorry kid but i can't be your  
saviour  
i don't know what you expected

so maybe i should drop dead  
eat shit  
go to hell  
i could jump  
head first out the window  
dark thoughts  
keep on filling up in my mind  
kinda wanna get fucked  
make love to a chainsaw  
wrap my  
droptop round a lamp post  
not sure  
i'll be coming back down this time

cos i'm fucking losing it

get a grip  
ignored all the signs  
the voices in my head  
keep telling me i'm fine

out of luck  
what the fuck?  
what am i gonna do?  
where did it go wrong?
