

# Bring Me The Horizon, nihilist blues (ft. Grimes)

I've been climbing up the walls  
To escape the sinking feeling  
But I can't hide from the nihilist at my door.  
Buried in the basement floor

buried in the basement floor  
didn't know what I had planted  
it blossomed with all the heart of a Cold War  
I am a spirit a tomb

won't somebody raise the roof  
I am going hite  
I am going black  
I am going blue

do you mind if I am exhumed?  
I am the ashes in the plume  
I am a beggar in the ruin  
I am peeking out  
I am burning up  
I am shooting through  
I am lonely for the true  
paradise is in my soul  
and I am terrified I can't get out  
I am lost in the labyrinth  
we are lost in a labyrinth  
please don't follow  
you were in my dream last night  
but your face was someone else's  
a twitch in my spine  
a manual disorder  
isolation neophyte  
too afraid to taste your conscience  
you march on the dark  
little lamb to the slaughter
