

# British Sea Power, Living Is So Easy

Well oh my God did she look cute  
At the Dame Vera clay pigeon shoot  
But it was over oh so fast  
It was a blast

So here's to all the dirty girls  
They're taking on all of the world  
Accessorised up to the hilt  
No-one got killed.

Northern girls  
You're going to the party  
Southern boys  
Are you going to the party?

Everyone, the wessies and the ossies,  
Everyone is going to the party  
And we know that you will understand  
No- oh

Living is so easy  
(Living is so easy)  
Shopping is so easy  
(Shopping is so easy)  
Dying is so easy  
(Dying is so easy)  
All of it is easy  
(All of it is easy)

I love your celebrity  
Your VPL in the SUV  
And then you're pissing vitamin  
It is a sin

LVMH in the HLM  
Luxury it will descend  
I won't be looking at your eyes in the end

Rive Gauche girls  
Are you going to the party?  
Banlieue boys  
Are you going to the party?

Everyone  
The cops and the Commies  
Everyone is going to the party  
And we know that you will understand  
No- oh
