

British Sea Power, Living Is So Easy

Well oh my God did she look cute
At the Dame Vera clay pigeon shoot
But it was over oh so fast
It was a blast

So here's to all the dirty girls
They're taking on all of the world
Accessorised up to the hilt
No-one got killed.

Northern girls
You're going to the party
Southern boys
Are you going to the party?

Everyone, the wessies and the ossies,
Everyone is going to the party
And we know that you will understand
No- oh

Living is so easy
(Living is so easy)
Shopping is so easy
(Shopping is so easy)
Dying is so easy
(Dying is so easy)
All of it is easy
(All of it is easy)

I love your celebrity
Your VPL in the SUV
And then you're pissing vitamin
It is a sin

LVMH in the HLM
Luxury it will descend
I won't be looking at your eyes in the end

Rive Gauche girls
Are you going to the party?
Banlieue boys
Are you going to the party?

Everyone
The cops and the Commies
Everyone is going to the party
And we know that you will understand
No- oh

Living is so easy
(Living is so easy)
Shopping is so easy
(Shopping is so easy)
Dying is so easy
(Dying is so easy)
All of it is easy
(All of it is easy)

Northern girls
Are you going to the party?
Southern boys
Are you going to the party?
Everyone is going to the party
