

# Britney Spears, Abroad

Let me see your passport  
Please take off your glasses  
Gotta get through customs, taxi, baggage  
You know you still love me  
Sicily to the U.K  
Keep them hands up everywhere follow me I'm about to take you abroad  
Show up in your town  
Second that I'm Touchin down  
Go someplace we ve been  
Every time I'm with my friends  
Sexy men  
Whisper foreign in my ear  
She's so hot  
You so naughty come on show me what you got  
What you got  
Looked in the mirror today  
Thought I had so much to say  
But now that I m face to face  
I feel like runnin away  
(I need a)  
think I just I need a getaway  
time for a break a holiday  
time that I make my great escape  
I need it now  
I need it today  
I need it today  
Don't know where I'm goin but I know I'm outta here  
Don't know where I'm goin but I know I'm outta here  
Don t know where I m goin but I know I m outta here  
I'm goin ABROAD&... I'm goin ABROAD...  
I don't speak the language  
But they know my name here  
Frequent flier mileage  
Platinum next year  
No fear  
Bonjour in France  
Keep my head wrapped up in Hermes  
Tropical destination  
Get my rest and my relaxation abroad  
Show up in your town  
Second that I'm Touchin down  
Go someplace we ve been  
Every time I'm with my friends  
Sexy men  
Whisper foreign in my ear  
She's so hot  
You so naughty come on show me what you got  
What you got  
Today  
I need a change of pace  
To see some different faces  
I need to get away  
I need a break from u  
I need a break for me  
Gimme a break from here  
Somewhere that I can clear my head  
I'm goin abroad  
I'm goin abroad
