

Britney Spears, Already Bad

"Already Bad"

Are you ready

With a little imagination

You will realize

I was already bad

I feel so hot out here tonight, you always seem to hard to fight, but I don't need ya baby, I'm gonna

Maybe you think I'm crazy, but baby I've heard that before, I'ma leave you for the dance-floor and y

I was already bad

Already bad (already bad)

Already bad (already bad)

I was already bad (bad)

Already bad (already bad)

Already bad (already bad)

I was already bad (bad, bad)

Already bad (already bad)

Already bad (already bad)

I feel so hot out here tonight, you always seem to hard to fight, but I don't need ya baby, I'm gonna

Maybe you think I'm crazy, but baby I've heard that before, I'ma leave you for the dance-floor and y

I was already bad

Already bad (already bad)

Already bad (already bad)

I was already bad (bad)

Already bad (already bad)

Already bad (already bad)

I was already bad (bad, bad)

Already bad (already bad)

Already bad (already bad)

Are you ready

With a little imagination

You will realize

I was already bad

Already bad (already bad)

Already bad (already bad)

I was already bad (bad)

Already bad (already bad)

Already bad (already bad)

I was already bad (bad, bad)

Already bad (already bad)

Already bad (already bad)
