

# Britney Spears, Beat Goes On

Drums keep pounding rhythm to the brain  
La-dee-da-dee-dee  
La-dee-da-dee-da

Wait till you have reached the age Blah blah  
History has turned the page Blah blah  
We still want to hear a brand new thing Uh huh  
We still need a song to sing Uh huh

And the beat goes on  
And the beat goes on  
And the beat goes on  
And the beat goes on  
And the beat goes on  
And the beat goes on

Drums keep pounding rhythm to the brain  
La-dee-da-dee-dee  
La-dee-da-dee-da  
Love is a thirsting, lasting on our minds  
From tomorrow until the end of time

And the beat goes on  
And the beat goes on  
And the beat goes on  
And the beat goes on

And the beat goes  
And the beat goes  
And the beat goes on

Drums keep pounding rhythm to the brain  
La-dee-da-dee-dee  
La-dee-da-dee-da  
We still move to a rhythm just like this  
We still dream of sharing our first kiss

And the beat goes on  
And the beat goes on  
And the beat goes on  
And the beat goes on

Drums keep pounding rhythm to the brain  
La-dee-da-dee-dee  
La-dee-da-dee-da  
Well our kids are turning faster everyday (everyday)  
We still want to dance the night away

And the beat goes on  
And the beat goes on  
And the beat goes on  
And the beat goes on...  
[to fade]
