

# Britney Spears, Born To Make You Happy

I'm sitting here alone up in my room  
And thinking about the times that we've been through (oh my love)  
I'm looking at a picture in my hand  
Trying my best to understand  
I really want to know what we did wrong  
With a love that felt so strong  
If only you were here tonight  
I know that we could make it right

I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy

I know I've been a fool since you've been gone  
I'd better give it up and carry on (oh my love)  
'Cause living in a dream of you and me  
Is not the way my life should be  
I don't want to cry a tear for you  
So forgive me if I do  
If only you were here tonight  
I know that we could make it right

I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy

I'd do anything, I'd give you my world  
I'd wait forever, to be your girl  
Just call out my name, and I will be there  
Just to show you how much I care

I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy
