

# Britney Spears, Boys (Co-Ed Remix)

(Britney)

For whatever reason,  
I feel like I've been wanting you all my life  
You don't understand  
I'm so glad we're at the same place  
At the same time  
It's over now

I spotted you dancin'  
You made all the girls stare  
Those lips and your brown eyes (Oooh)  
And the sexy hair  
I should shake my thang (Ooh)  
Make the world want you (Ha Ha Ha)  
Tell your boys you'll be back  
I wanna see what you can do (Uh)

What would it take for you to just leave with me?  
Not trying to sound conceited but  
You and me were meant to be (Yeah Yeah)  
You're a sexy guy, I'm a nice girl (Uh)  
Let's turn this dance floor into our own little nasty world

Boys!  
Sometimes a girl just needs one (You know I need you)  
Boys!  
To love her and to hold (I just want you to touch me)  
Boys!  
And when a girl is with one (Mmm)  
Boys!  
Then she's in control!

(Pharrell From N.E.R.D)  
Pull your girl off the dance floor  
Whisper in her ear  
Must've said somethin' bout me (What you say girl?)  
Cos now she's lookin' over here (What up girl?)  
You lookin' at me (He He He)  
With that sexy attitude  
But the way your girls movin' it (Uh)  
It puts me in the mood

What would it take for you to just leave with me?  
Not trying to sound conceited  
But meeting you was destiny  
I'm from N.E.R.D, Aren't you Britney? (Don't you know?)  
Let's turn this dance floor into our own little nasty thing (Get Nasty!)
