Britney Spears, Can`t make you love me

I'm just a girl with a crush on you Don't care about money It doesn't give me half the thrill To the thought of you, honey So tell me that you want me still If only I could trade the fancy cars For a chance today, it's incomparable I might be sitting with the movie stars Everybody say that I have it all But I can't make you love me Is it my life or the things I do? Can't make you love me I'm just a girl with a crush on you I have been through changes, yeah But I'm still the girl you used to know It's made me no different So tell me why you had to go Oh baby, I will trade the fancy cars For a chance today, it's incomparable I might be sitting with the movie stars Everybody say that I just have it all But I can't make you love me Is it my life or the things I do? Can't make you love me I'm just a girl with a crush on you Just the thought of being close to you It's incomparable Should be happy with the life I live And the things I do Seems like I have it all Can't make you, make you love me baby It's my life, what can I do? Can't make you love me, alright I'm just a girl with a crush on you But I can't make you love me Is it my life or the things I do? Can't make you love me I'm just a girl with a crush on you I'm just a girl with a crush on you
