

Britney Spears, Corious

So Curious, so

curious

I'm so curious about our love

I don't understand why you don't take my hand

and tell me you care(You care)

I see all the signs but if you wanna be mine don't leave me up in

the air

(Oh baby) You better let your love show - is what I'm telling you

Let me know - let me go.

[Chorus]

I'm so curious do you love me

Do you wonder the way that I do (I do)

I'm so curious what d'ya think of me

Boy am I just a game or do you feel the same as I do (So curious

so curious)

I'm so curious about our love

if it's make believe why don't you set my heart free

and tell me goodbye (goodbye)

But if it's for real tell me you feel for me right deep down

inside

(Oh baby) Is this goodbye or hello - Is what I'm telling you

Let me know let me go

[Chorus]

All day all night I just dream of you

I think about all the things that we could do

I'm dying for and I'm living for the day

when you could have been up and

said you feel the same you feel like I do

[Chorus X2]

I'm so curious, do you love me?

Do you wonder the way that I do?(I do)

I'm so curious , what d'ya think of me?

Boy am I just a game or do you feel the same as I do?

Do you wonder the way that I do?(I do)

I'm so curious , what d'ya think of me?

Boy am I just a game or do you

(fades out)
