

# Britney Spears, Early Mornin' (Jason Nevins Rem)

Early mornin'  
All right, I was out real late last night  
Got a little messy  
Early morning  
Can't be like that anymore, oh

I was shaking my ass in the streets this morning  
Just walked in and it's early morning  
Got drunk till the break of dawning  
It don't stop till the early morning  
Passed out on the couch I'm yawning  
Just walked in and it's early morning  
Got drunk till the break of dawning  
It don't stop till the early morning

Wanna talk to  
When he walked up someone grabbed him  
But I liked him to come here  
Kinda cool  
Baby, we can make plans  
Where ya live  
Does your mama live there  
We can hook up at the hotel  
Hands down so  
I told him, let's go  
But have a next guess  
But you don't wanna know

I was shaking my ass in the streets this morning  
Just walked in and it's early morning  
Got drunk till the break of dawning  
It don't stop till the early morning  
Passed out on the couch I'm yawning  
Just walked in and it's early morning  
Got drunk till the break of dawning  
It don't stop till the early morning

Oh, in love  
So I approached him  
We gotta give him his friends  
There's something 'bout him that show  
So I said, what the hell  
Let's go  
Got up, got on the dance floor  
Hooked up with a guy named Joe  
When the music was fast and slow  
But have a next guess  
But you don't wanna know

I was shaking my ass in the streets this morning  
Just walked in and it's early morning  
Got drunk till the break of dawning  
It don't stop till the early morning  
Passed out on the couch I'm yawning  
Just walked in and it's early morning  
Got drunk till the break of dawning  
It don't stop till the early morning

Call all your boys  
Call all your girls  
Call all your friends  
Let's do it again  
Let's do it again

Yes, early morning  
Yes, can't keep doin' this

I light your fire  
Your one desire  
Pull on me, baby  
And I'll take you higher  
You should try her  
So come over here and let's go so

I was shaking my ass in the streets this morning  
Just walked in and it's early morning  
Got drunk till the break of dawning  
It don't stop till the early morning  
Passed out on the couch I'm yawning  
Just walked in and it's early morning  
Got drunk till the break of dawning  
It don't stop till the early morning

Call all your boys  
Call all your girls  
Call all your friends  
Let's do it again  
Let's do it

Early mornin', early mornin'
