

Britney Spears, Get Naked (I Got A Plan)

"Danja... ha ha

Yeah, that sounds nice

Uh

Yeah"

Hey!

I got a plan we can do it

Just where you want it baby, baby, baby (yeah)

As long as you want it

Come with me we can do it baby, baby, baby

I got a plan we can do it

Just where you want it baby, baby, baby

As long as you want it

Come with me we can do it baby, baby, baby

My body is calling out for you bad boy

I get the feeling that I just want to be with ya

Baby, I'm a freak and I don't really give a damn

I'm crazy as a mother fu*ker

Bet that on ya man

If ya like what ya see

And your curiosity

Let your mind roam free

Won't you pay attention please

What I gotta do to get you to want my body?

Quarter past three and ready to leave the party

What ya trying to do, do, do...

(I got a plan we can do it just where you want it baby, baby, baby)

What ya trying to do, do, do...

(As long as you want it come with me we can do it baby, baby, baby)

What ya trying to do, do, do...

(I got a plan we can do it just where you want it baby, baby, baby)

What ya trying to do, do, do...

(As long as you want it come with me we can do it baby, baby, baby)

Get naked, get naked, get naked, get naked

Get naked, get naked, get naked, get naked

Take it off, take it off, take it off, take it off

Get naked, get naked, get naked, get naked

I'm not ashamed of my beauty, you can see what I got

Might freak you out, imagine if I work it out

If I get on top, you're gonna lose your mind

The way I put it down on you, you know you should be upright

I understand that you don't got no plan

And I just want to take your hand

And I need you to understand that, that,

That I, I got everything working right

Get right, get it all inside

Work that body, get it all popping

If ya like what ya see (oh)

And your curiosity

Let your mind roam free

Won't you pay attention please (please)

If ya like what ya see (oh)

And your curiosity

Let your mind roam free
Won't you pay attention please (yeah)

Get naked, get naked, get naked, (would you mind?...) get naked
Get naked, get naked, get naked, get naked (...if I took it off?)
Take it off, take it off (yeah), take it off, take it off
Get naked (uh), get naked, get naked, get naked (here we go)

Baby, take it off
I just wanna take it off, I just wanna take it off
Baby, take it off
I just wanna take it off, I just wanna take it off

What ya trying to do, do, do...
(I got a plan we can do it just where you want it baby, baby, baby)
What ya trying to do, do, do...
(As long as you want it come with me we can do it baby, baby, baby)
What ya trying to do, do, do...
(I got a plan we can do it just where you want it baby, baby, baby)
What ya trying to do, do, do...
(As long as you want it come with me we can do it baby, baby, baby)
