

# Britney Spears, Intimidated

(Ooh, I see you over there. Don't be shy. Come here.)

You got that thing that I can't deny  
So move it over here, oh yeah  
You're giving signs that I recognize  
Say what you want, oh yeah

Baby, there's something about you  
Show me, that nothing can hold you down  
'Cause I, I must confess, I'm feeling you right now

So baby take a chance, and show your confidence  
Oh baby; tell me who you are  
You make my body scream  
You make me believe  
That you're what I'm waiting for  
Don't you be intimidated

Just be a man, show me where you stand  
Positivity, oh yeah, ohh  
I don't come off shy if you want me babe  
And if my ego shows, oh no don't give up too fast

Baby, there's something about you  
Show me, that nothing can hold you down  
'Cause I, I must confess, I'm feeling you right now

So baby take a chance, and show your confidence  
Oh baby; tell me who you are  
You make my body scream  
You make me believe  
That you're what I'm waiting for  
Don't you be intimidated

B-R-I-T-N-E-Y (uh, come on)  
B-R-I-T-N-E-Y

It doesn't matter boo  
As long as you're digging me  
So much we can be (Whoaaa)  
Yes, it's true, at first you gotta make the move  
For me to see, what I want with you

So baby take a chance, (take your chance) and show your confidence (confidence)  
Oh baby; tell me who you are (oh, oh whoa)  
You make my body scream (ya make my body scream)  
You make me believe (oww)  
That you're what I'm waiting for  
And Don't you be intimidated

So baby take a chance, (take your chance) and show your confidence (confidence)  
Oh baby; tell me who you are (oh, oh whoa)  
You make my body scream (ya make my body scream)  
You make me believe (oww)  
That you're what I'm waiting for  
And Don't you be intimidated
