

Britney Spears, Let Me - Melanie Durant

[Spoken]

My love, let me be with you
Hold back the rhythm for me

[Verse 1]

Boy I had a dream last night and we were on a beach
Basking in the paradise the sand beneath our feet

[Bridge]

Sunshine in my face and I am golden with a tan
Everything will be alright if you just take my hand
I feel you near
Let me be here with you
With you, my love
Let me be with you, hmmm...

[Chorus][Repeat 4x]

Just let me, let me, just let me
Just let me, let me, just, hmm...

[Verse 2]

Don't disrupt the program I think I'm on a roll
If you just cooperate I can achieve my goal

[Bridge]

[Chorus]

[Rap Break]

I feel you near
Let me be here with you
With you, my love {Chorus in background}
Let me be with you, hmm...

Lalalalalalalala

Roll back the rhythm for me!

[Repeat 4x]
