

# Britney Spears, Live Performance At Mtv Europe

Oh baby, baby  
How was I supposed to know  
That something wasn't right here

Oh baby, baby  
I shouldn't, never let you go  
My loneliness, and I  
I must confess  
When I'm not with you  
Give me a sing  
Hit me baby one more time

Woo!  
Shue, yeah  
Ah, ah, ah  
Shut, shut  
Ah, Ah  
Uh, uh, yeah

Baby I'm so into you  
You've got that something  
What can I do?  
Baby you spend me around  
The Earth is moving  
But I can't feel the ground

Everytime you look at me  
My heart is jumping it's easy to see  
Loving you means so much more  
More than anything I ever felt before

Tell me, you're so into me  
That I'm the only one you will see  
Tell me, I'm not in the blue  
I hope that I'm not wasting  
My feelings on you

Uh, eh, hem  
Taken off my clothes  
Taken off my clothes  
I'm standing on the door  
Standing on the floor  
I never, never thought  
It could be so bad  
'Cause it's driving me crazy  
with so many faces in my mind  
I came all the way  
It's driving me mad  
Ah, Ah

- Everybody say: "Ho!"  
- Ho!  
- Ho!  
- Ho!  
- Say: "go, go, go!"  
- Go, go, go!  
- Now scream!  
Crazy  
I just can sleep  
Pretty Down

You drive me crazy, I just can sleep  
I'm so exited I'm in too deep  
Crazy, but it feels all right

Baby thinking of you keeps me up all night

- Say: "go"!

Crazy
