

# Britney Spears, Love To Hate You

LOVE TO HATE YOU

I'm doing fine

I'm doing fine

For seven months and fifteen days

I've been telling you lies in different ways

I know things will change

But I don't know when

You keep talking about us

Like we still were friends

I just hate the way you talk to me

I just love to say what's bothering me

I love to hate you

I really love to hate you

And nothing you do

Will ever change my mind

I'm doing fine

Without you

It wasn't meant to be like this

All you gave her was one little innocent kiss

I didn't believe

She would turn to be

The love of your life

Just like me

I just hate the way you talk to me

I just love to say what you mean to me

I love to hate you

I really love to hate you

And nothing you do

Will ever change my mind

I'm doing fine

Without you

I'm doing fine

I love to hate you

I really love to hate you

And nothing you do

Will ever change my mind

I'm doing fine

I love to hate you

I really love to hate you

And nothing you do

Will ever change my mind

I'm doing fine

Without you
