

Britney Spears, My Prerogative

People can take everything away from you
But they can never take away your truth
But the question is..
Can you handle mine?

They say I'm crazy
I really don't care
That's my prerogative
They say I'm nasty
But I don't give a damn
Getting boys is how I live
Some ask me questions
Why am I so real?
But they don't understand me
I really don't know the deal about my sister
Trying hard to make it right
Not long ago
Before I won this fight

Everybody's talking all this stuff about me
Why don't they just let me live?
I don't need permission, make my own decisions
That's my prerogative
that's my prerogative
(it's my prerogative)

It's the way that I wanna live (it's my prerogative)
You can't tell me what to do

Don't get me wrong
I'm really not souped
Ego trips is not my thing
All these strange relationships really gets me down
I see nothing wrong in spreading myself around

Everybody's talking all this stuff about me
Why don't they just let me live?
I don't need permission, make my own decisions
That's my prerogative
That's my prerogative

Everybody's talking all this stuff about me
Why don't they just let me live?
I don't need permission, make my own decisions
That's my prerogative
that's my prerogative

It's the way that I wanna live (it's my prerogative)
You can't tell me what to do

why can't I live my life
without all of the things
That people say
oh oh

Everybody's talking all this stuff about me
Why don't they just let me live?
I don't need permission, make my own decisions
That's my prerogative (they say I'm crazy)

Everybody's talking all this stuff about me
Why don't they just let me live? (they say I'm use to)
I don't need permission, make my own decisions

That's my prerogative
