

# Britney Spears, Over To You Know

Do you like this?  
This place, that I'm bringin' you to  
'Cause I do  
Oh my God!  
I know this place  
It's still a secret  
And I don't think you've ever been  
It's kinda hard, to find the entrance  
You need some juice  
But you'll love it once you get there  
This special place  
It's in the basement  
You have to work your way around  
The place is hot  
And then it's pumpin'  
So are you ready to go down?  
So it's over to you now  
So it's over to you now, now, yeah  
So it's over to you now  
Can't you see what I'm thinking? Yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
If you behave  
You might be chosen  
Just read the bar and it tells you how to get there  
And when you come  
You might be stuck here  
So baby what you waiting for?  
So it's over to you now  
So it's over to you now, now, yeah  
So it's over to you now  
Can't you see what I'm thinking? Yeah  
So it's over to you now  
So it's over to you now, now, yeah  
So it's over to you now  
Can't you see what I'm thinking? Yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Do you like this?  
This place, that I'm bringin' you to  
Do you feel that?  
Huh? (Laughs)  
Do you like that?  
I thought you would  
Cause' I do  
Oh my God!  
So it's over to you now  
So it's over to you now, now, yeah  
So it's over to you now  
Can't you see what I'm thinking? Yeah  
So it's over to you now  
So it's over to you now, now, yeah  
So it's over to you now  
Can't you see what I'm thinking? Yeah
