

# Britney Spears, Shadow

Your bodys warm  
But you are not  
You give a little  
Not a lot  
You coup your love  
Until we kiss  
Youre all I want  
But not like this  
Im watching you disappear  
But you, you were never here

Its only your shadow  
Never yourself  
Its only your shadow  
Nobody else  
Its only your shadow  
Filling the room  
Arriving too late  
And leaving too soon  
And leaving too soon

Your body gives  
But then holds back  
The sun is bright  
The sky is black  
Can only be another sign  
I cannot keep what isnt mine  
Your laughter it lingers on  
But you, you were almost gone

Its only your shadow  
Never yourself  
Its only your shadow  
Nobody else  
Its only your shadow  
Filling the room  
Arriving too late  
And leaving too soon  
And leaving too soon

How can I tell if you mean what you say  
You say it so loud, but you sound far away  
Maybe I had just a glimpse of your soul  
Or was that your shadow I saw on the wall  
Im watching you disappear  
But you, you were never here

Its only your shadow  
Never yourself  
Its only your shadow  
Nobody else  
Its only your shadow  
Filling the room  
Arriving too late  
No, no, no  
Its only your shadow  
Its only your shadow  
Nobody else  
Its only your shadow  
Arriving too late  
And leaving too soon

Its only your shadow
