

# Britney Spears, Taste The Victory (Right Now)

I'm coming down, have a heartache tonight  
Only you can make it alright  
If i could be with you, holding you tight  
there won't be no morning light  
Everywhere I turn, I see your face  
Reminding me of a higher place  
Everytime you smile  
Angels fly  
Every time you walk on by

Chorus:

I'm not the only  
feelin lonely  
Every time you walk on by  
I try to say something  
But end up with nothing  
Every time you walk on by

[Every time you walk on by]

I keep my cool and pretend I'm not here  
Every time you come to near  
I'm such a fool, 'cause,  
this love is true  
and, if I don't tell someone else should and will  
Every where I turn, I see your face  
Reminding me of a higher place  
Every time smile  
Ooh, angels fly  
Every time you walk on by

Chorus

yeah feeling lonely  
If I ever see you again  
This sqeeziness must find an end  
i look at you, I promise myself  
Chorus 2x
