

Britney Spears, The beats goes on

Drums

keep pounding rhythm to the brave

La de la de deee

La de la de daaaa

When you have reached the edge by far

History has turned the page by far

We still wanna hear a brand new thing uh huh

We still need a song to sing uh huh

And the beat goes on

And the beat goes on

And the beat goes on

And the beat goes on

And the beat goes on

And the beat goes on

Drums keep pounding rhythm to the brave

La de la de deee

La de la de daaaa

Love is the first thing, last thing on my mind

>From tonight till the end of time

And the beat goes on

And the beat goes on

And the beat goes on

And the beat goes on

And the beat goes

And the beat goes

And the beat goes on

Drums keep pounding rhythm to the brave

La de la de deee

La de la de daaaa

We Still move to a rhythm just like this

We Still dream of sharing our first Kiss

And the beat goes on

And the beat goes on

And the beat goes on

And the beat goes on

World keeps turning faster everyday (everyday)

We still wannal dance the night away

And the beat goes on (and the beat goes on)

And the beat goes on (and the beat goes on)

And the beat goes on (and the beat goes on)

And the beat goes on (and the beat goes on)

And the beat goes on (and the beat goes on)
