

# Britney Spears, Why Not

Think youre going nowhere  
When youre walking down the street  
Acting like you just dont care  
When life could be so sweet  
Why you wanna be like that  
As if there's nothing new  
Youre not fooling no one  
Youre not even fooling you  
So walk a little slower  
And open up your eyes  
Sometimes its so hard to see  
The good things passing by  
There might never be a sign  
No flashing neon light  
Telling you to make your move  
Or when the time is right

[CHORUS]

(So) Why not (Why not)  
Take a crazy chance  
Why not (Why not)  
Do a crazy dance  
If you lose a moment  
You might lose a lot  
So why not  
Why not  
Why not  
Take a crazy chance  
Why not  
Take a crazy chance  
You always dress in yellow  
When you wanna dress in gold  
Instead of listening to your heart  
You do just what youre told  
You keep waiting where you are  
For what you'll never know  
Lets just get into your car  
And go baby go

[CHORUS]

Oh  
I could be the one for you  
Oh, yeah  
Maybe yes, maybe no  
Oh  
It could be the thing to do  
What I'm saying is  
You gotta let me know  
Youll never get to heaven  
Or even to L.A.  
If you dont believe theres a way  
Why not  
Take a star from the sky  
Why not  
Spread your wings and fly  
It might take a little  
And it might take a lot  
But why not  
Why not  
[CHORUS]
