

# Britny Fox, Livin' on a Dream

D. Davidson

You see your face inside a mirror, tell me what you see.  
Chasing dreams you have to hold on, that's the way you do your thing, yeah.

You're livin' on a dream, is what you do  
Livin' on a dream, you hold on to.  
You're livin' on a dream, is what you choose.

You say you want all the big lights, they said you're dreaming and laughed.  
Just hold on tight to what you're thinkin',  
you're gonna reach it to a star, yeah.

chorus, lead, chorus out.
