

# Britny Fox, Shout It Out Loud

Paul Stanley, Gene Simmons, Bob Ezrin

Well, the night's begun and you want some fun  
Do you think you're gonna find it (think you're gonna find it)  
You got to treat yourself like number one  
Do you need to be reminded (need to be reminded)

It doesn't matter what you do or say  
Just forget the things that you've been told  
We can't do it any other way  
Everybody's got to rock and roll, whoo, oh, oh

Shout it, shout it, shout it out loud  
Shout it, shout it, shout it out loud

If you don't feel good, there's a way you could  
Don't sit there broken hearted (sit there broken hearted)  
Call all your friends in the neighborhood  
And get the party started (get the party started)

Don't let 'em tell you that there's too much noise  
They're too old to really understand  
You'll still get rowdy with the girls and boys  
'Cause it's time for you to take a stand, yeah, yeah

Shout it, shout it, shout it out loud  
Shout it, shout it, shout it out loud

Shout it, shout it, shout it out loud  
You've got to have a party  
Shout it, shout it, shout it out loud  
Turn it up louder  
Shout it, shout it, shout it out loud  
Everybody shout it now  
Shout it, shout it, shout it out loud  
Oh yeah  
Shout it, shout it, shout it out loud  
Hear it gettin' louder  
Shout it, shout it, shout it out loud  
And everybody shout it now  
Shout it, shout it, shout it out loud
