Childs/Paris

Searching for my paradise  
Scale the dolts and take flight  
Flood my skull with luminescence  
Reinvent my plight

Shine the light divine

Tear drop island magic breathing  
Incense sweet - wrecked on wine  
Visit the Valley Of The Dolls  
F\*ck my spirit right

Shine the light divine  
Viking in my mind

Jubilee

Bigamy

Shine the light divine  
Viking in my mind  
Diazajesus fly

Valley Of The Dolls...
