

Bro'Sis, All I Wanna Know

Now we can do this if you don't tell nobody
we can make it happen now - and it can be so
sweet set your body free want you to come
with me cause - tonight we gonna take it to
the highest degree

So baby call me maby we can hang come
on over tonight and I'll - make you feel
right you don't need to worry bout a thang
cause your bodys so tight, I need you in my
life

All I wanna know is are you down wit me tell
me how is and what - it's gonna be keep it
hush bush and keep it off the streets I can
make your fantasy reality

Girl you got me were you want me now I
must confess I can't take it longer - I
want up in your mix cause what I got in
store will have you waiting more turn off
the lights, let's get it started cause thats
what were here for

So baby call me maby we can hang come
on over tonight and I'll - make you feel
right you don't need to worry bout a thang
cause your bodys so tight, I need you in my
life

All I wanna know is are you down wit me tell
me how is and what - it's gonna be keep it
hush bush and keep it off the streets I can
make your fantasy reality

RAP:

Sweetheart now let me kick it to you quick
why don't you stepp into my ride so we can
polite about you and me and all the things
were gonna do - give up your digits party
were the rich is forget de, cheap snitchis
nothing but hugs and kisses so come on let
your fingers do the walking stop talking
and remove your stockings and this is the
way we lie to get down
