

Bro'Sis, I believe

Ha you know some people just talking about
but I know you understand
cause I know you believe.

Baby I believe that
that you were made for me
and if there`s somebody
then Baby I believe
that somebody is you and
Everything you do
cos baby I believe
Yeah I believe in you
I walk at home alone
Waiting by the telephone
All my girlfriends say
Give it up baby give it up`
I know that you can see
This is how it`s meant to be
You`re my frequency
cos baby I believe

REFRAIN:

Baby I believe that
you were made for me and
If there`s somebody
Then baby I believe
That somebody is you and
Everything you do
cos baby I believe
Yeah I believe in you
No they don`t understand
Dreaming up a masterplan
I know that you can
Give it up baby give it up`
and it`s a simple rule
you wanna don`t play it cool
leave me like a fool
cos I believe in you

REFRAIN:

Baby I believe that
You were made for me
If ther`s somebody
Then baby I believe
That somebody is you and
Everything you do
cos baby I believe
Yeah I believe in you
One love is the propercy I believe
without pain to past and if you came to me.
You say am I sure is one and one ist two
Yeah I believe in you
That is what I do
Cause I believe in you
And it seemed so real
Was I dreaming did you
come to me
Hold me closer for eternity I believe

REFRAIN:

Baby I believe that
You were made for me and
If there`s somebody
Then baby I believe
That somebody is you and
Everything you do
`cos baby I believe in you
I walked to the world an I see it all

looked down in case off the wall
I`m off the wall and I still believe.
Yeah
And somebody is you and
Everything you do
Cause baby I believe
I believe in you
Yes I do
Yes I do
I believe in you.
