V. I. P.

This is what I like, I got my money right
I'm iced up an ready to party
So bring it on tonight I'm gonna play it right
I'm on point to catch me a hotty
If I'm round your way and you wanna play
You better hit me off on the cellie
The carats twenty-four and you'll be wantin more
It's top draw cos that's how we do it

If you wanna know where it is we're gonna go
Baby, well if I tell you now when we're comin' round
Can you keep it on the D-LO
We're gonna make it hot (real hot)
Girl you gotta show me what ya got (ooh yeah)
You gotta play to win if you're gettin' in
In this party's V.I.P.

V.I.P. are you ready to heat it up
Let's hit the switch
And drop the top
So baby come and take a ride with me
We're rolling V.I.P.
Hold it down while I turn it up
Let's check the crowd
Till we hit the spot
Let me take you where you wanna be
We're rolling V.I.P.
