

# Brocas Helm, Fall Of The Curtain

The fall of the curtain  
Brings a tear to my eye  
The fall of the curtain  
A reason to cry  
Release your prisoners  
Release them all  
Tear down your curtain  
Tear down your wall

The wall of death surrounds you  
The answer can be found  
You will find  
your new beginnings  
From dreams you left behind

A new day is dawning  
Leave yesterday behind  
Tear down the curtain  
Unleash your mind

You have the knowledge  
Realize you hold the key  
You have the power  
To set your people free

Soon the wall will shatter  
A better life for all  
Free to live your dreams  
In a world with no more walls
