

# BROCKHAMPTON, COUNT ON ME

You look so different to me  
It's like you barely even listen  
You look so different to me  
It's like you barely even know me

You're what's missin' from me  
Swear i am tired of feelin' lonely  
Like Field Mob song  
Thrill Bob boy

She been MIA far to long  
So far  
Now catch the conversation  
Change the conversation  
\$ all i am chasin'
