

# BROCKHAMPTON, If You Pray Right

hallelujah, holy icon, word to Judas  
how I am supposed to trust  
that what you say is the truest  
Haile Selassie, inshallah if I gotta  
spin my words around  
as if you wanted a Mandala  
for Nirvana

ref.

hiding in my partner's house  
couple bands inside my mouth  
instead of feeling trippy dog  
you need to help your city out

instead of feeling trippy dog
