

Broder Daniel, ABC 123

A B C sing for me
ABC and one two three
and nothing really matters to me
nothing matters to me
oh wow oh wow
nothing matters to me

ABC and one to three
and nothing means anything
but it doesn't matter to me
oh wow oh wow
it doesn't matter to me
it doesn't matter to me
nothing matters to me
oh wow oh wow

A B C look at me
watch me go, watch me go
look at me go
look at me, look at me
watch me go
