

Broder Daniel, Dream My Days Away (Acoustic) (

I, I dream my days away
I dream my days away
Oh I just let them pass
I dream my days away

Oh don't try to understand me
Don't try to understand me
Oh I make believe
I dream my days away

I dream my days away
Oh I don't listen to what people say
I let the days go by
While I'm still young I dream my days away

Yeah
Yeah

I dream my days away
Oh I just let the days go by
