

Brodie, My Response

Bring on the hateful remarks.
No one ever said this would be easy
And I never thought that I'd please everyone.
But, my response to you is this,
If you want to talk down to me, do it.
But, did you know that it will only fuel the

Fire that burns, hotter every day.
It's deep inside My heart.
It's been there from the start.

Oh..I won't give up the fight.
Try as You might,
I won't give in.

Say what you want, don't get me wrong
You're entitled to your opinion,
But I don't know why
You would waste your time on me.
The things you say,
The things you do,
Make me try even harder than before.
I'll survive. You can never stop the

Fire that burns, hotter every day.
It's deep inside My heart.
It's been there from the start.

Oh..I won't give up the fight.
Try as You might,
I won't give in.
Oh..I won't give up the fight.
Try as You might,
You'll never win.

And if I do fall,
Face down on the ground.
I'll pick myself right back up.
Just to show you up.
To Show you up.
(To Show you up)

Oh..I won't give up the fight.
Try as You might,
I won't give in.
Oh..I won't give up the fight.
Try as You might,
You'll never win.
