Brodka, Hey Man

Hey Man What are you doin'? Come on my .. Now, what you blow it!

Simply plan I hang around

Hey Man What are you thinkin'? Come fill my cup And watch me sinking

Simply plan I take a ride

You know.. real steal

. . .

I need you.
Under my sweating skin
Let me care your butter hair
I pin you to the ground
Until you start a next round

Hey tiny stranger
Hey lovely angel
I will make you scream
To you get to know the real danger
You're never forget tonight
I put it the leash, oh man
What a dish!

Point it
Chase it
Ride it
Honky love to play it
Rip it!
Crack it
Let's discover
Chase it
Ride it
Honky love to play it
Rip it!
Crack it
Let's go!

Hey Man What are you doin'? Come on my .. Now, what you blow it!

Simply plan
I hang around

Hey Man Lovely tander Don't take your time I surrender
