

Broken Dolls, I'm Ugly

Come and walk into my wake
I am trapped behind this hate
Why is that people suck
The world's running out of luck

Hey
Look at me
I'm ugly
Look at me, me, me, me, me

The world is under attack
Peace is never coming back
Why is pain my pleasure
I've been sick but I'm not better

Hey
Look at me
I'm ugly
Look at me, me, me, me, me

Hey
Look at me
I'm ugly
Look at me, me, me, me, me

Hey
Look at me
I'm ugly
Look at me, me, me, me, me
