

Broken Hearted, Wish Upon A Star

Remember when I said I won't miss you?
The truth is that I do
I never stop thinking about you
Remember when I said I wouldn't care
If you walked out of my life?
Well now I want you back into my heart

We are meant together, the two of us are bound
But now it seems like forever
I can't get you off my mind

(Chorus)
If I could wish upon a star
Then I would hold you in my arms
And I know we could love once again
If I could turn the hands of time
Then you would love me still be mine
Baby, I could be right where you are
If I could wish upon a star

Remember when I said I won't do that?
Well I'd do anything
Just to get you back, I'm not waiting
Can anything I say help you decide

If you'll stay here with me?
Or will it take a long life of hoping?

I can't live without you, I need you around
Or will it take forever?
'cause I need you by my side

(Chorus)

It's obvious and everyone can see
That baby, you and I are truly meant to be
But nothing's goin' right
If only I could make you realize
If only time could give us both another chance
I'd prove it all to you

If I could wish upon a star
Then I could make you realize
That I'd be in your arms again

(Chorus 2x)

If I could wish upon a...
Star
