

# Broken Social Scene, Fire Eye'd Boy

until the day you die  
you always admit  
you were right  
you were wrong  
about all of it

fire eyed boy gave them all the slip  
fire eyed boy gave them all the slip  
if you're gonna come you better make it quick  
fire eyed boy gave them all the slip

until the day I die  
Columbia by plane biplane  
brought us back  
back to life  
drifted off again

fire eyed boy  
fire eyed boy  
if you're gonna come you better make it quick  
fire eyed boy gets his ass whipped
