

# Broken Social Scene, Market Fresh

Market fresh  
Stand by me  
Where will it ever land

Scar and stains, Emily  
Turn our little crab

I could have meant it if you let me  
I could have meant it if you let me  
I could have meant it if you let me

Market fresh  
Stand by me  
Where will it ever land

Scar and stains, Emily  
Turn our little crab

I could have meant it if you let me

I'm frozen (I'm frozen I'm frozen I'm frozen I'm frozen) (repeat)
