

Broken Social Scene, Market Fresh

Market fresh
Stand by me
Where will it ever land

Scar and stains, Emily
Turn our little crab

I could have meant it if you let me
I could have meant it if you let me
I could have meant it if you let me

Market fresh
Stand by me
Where will it ever land

Scar and stains, Emily
Turn our little crab

I could have meant it if you let me

I'm frozen (I'm frozen I'm frozen I'm frozen I'm frozen) (repeat)
