

# Broken Social Scene, Swimmers

I was  
Waiting for you  
I was  
Standing around  
I was  
Getting older  
I was  
Going down

If you always get up late  
You'll never be on time  
If you always make it after work  
ba ba dada  
after work

Oh the day never comes  
and I stand up  
Waiting on

I saw you down there  
I know you were tired  
I saw you  
You looked like a swimmer

I wanna be with you  
All of the time  
Why can't you satisfy

You look good  
but you sound better  
you were the best I had

If you always get up late  
You're never gonna be on time  
If you always get up late  
You're never gonna be on time  
And that's a shame

Cause I like you  
I never see you
