

Brokencyde, Band Tee

You got your feelings
I got my feelings too
Forget your feelings
Now let's go to the zoo
'Cause I'm an animal [x4]
I got my band tee on
I got my skinny jeans on
And I'm ready to roll
Let's hit up the show
'Cause I'm an animal
You know the way I roll
Now drop it to the floor
And shake that ass some more
Girls you done did it
You drop the ceiling
Girl you done did it
You drop the ceiling
'Cause you're an animal [x4]
I got my band tee on
I got my skinny jeans on
And I'm ready to roll
Let's hit up the show
Girl you get naked
We're getting naked
So go get naked
I'm getting naked
Naked (naked), we're getting naked
Naked (naked), we're getting naked
Naked (naked), we're getting naked
Naked (naked), we're getting naked
I got my band tee on
I got my skinny jeans on
And I'm ready to roll
Let's hit up the show
