

# Brokencyde, Still Waiting 4 U

Chorus:

And everyday, I see him there (WITH YOU! )  
Holding your hand, he's trying to (KISS YOU! )  
I try so hard, I wanna be (WITH YOU! )  
Cuz I can't take this pain, cuz I (MISS YOU! )  
I won't let go, my heart will not (LET ME! )  
So I'm alone, just feeling so (EMPTY! )  
I'll kill myself, let the devil come (GET ME! )  
And take away, the pain that you (LEFT ME! )

Verse 1:

Well I admit it  
I'm jealous, I feel like givin' up  
Will kill myself  
But something tells me you won't give a fuck  
And I don't want to waste my time  
If it ain't worth it  
I could jump off a roof on purpose  
Until I hit the surface  
So fuck the pain,  
Fuck the past  
And fuck your new friend  
I don't want nothin' to do, with nothin' that you are doin'(x2)

(Chorus)

Verse 2:

And I don't want to lose  
The love of my life  
I can't take you no where now  
You probably fucked other guys  
I mean, you're already with one  
At least I lost everything  
I know there's better things out there,  
But you're my everything  
The one I'm still alive for  
The one I won't lose  
That's why I'll do anything  
Just to hold you (2x)

(Chorus)

Verse 3:

About a year has passed me  
I still miss you  
I still see you with that same guy  
That tried to kiss you  
I'm by the phone,  
Waiting for you to come home  
I'm on my own  
Never told you to leave me alone  
So tell me,  
Exactly how am I suppose react  
Before you left me  
You told me that you were gonna come back (2x)
