

Brokencyde, True Love

You cheated girl
But I don't care
Because I cheated too
Baby you can still be my boo
And we can fuck until the night is through.

Just move them hips
And shake that ass
Just move them hips
And shake that ass
Just move them hips
And shake that ass X3
Just move them hips
And shake that ass
Just move them hips
And shake that ass
Just move them hips
And shake that ass X3
