

Brokop Lisa, West Of Crazy

(Vince Melamed/Gary Burr)

What's going on since I lost you

So nice of you to ask

How far have I gone

Well, do I have to draw you a map

Well, I can do that

Just a few miles west of crazy

A stones throw away from tears

Oh, so close to normal

But I can't get there from here

Just a short jump from disaster

Where my heart will break again

Just a few miles west of crazy

I'm driving as fast as I can

The story is old and getting older

I'm going nowhere fast

Lay all the blame on my shoulder

Dead in my tracks

I keep looking back

Just a few miles west of crazy

A stones throw away from tears

Oh, so close to normal

But I can't get there from here

Just a short jump from disaster

Where my heart will break again

Just a few miles west of crazy

I'm driving as fast as I can

Just south of hopeless

Due north of Pain

Headed straight for trouble

Hang a right and then

Just a few miles west of crazy

A stones throw away from tears

Oh, so close to normal

But I can't get there from here

Just a short jump from disaster

Where my heart will break again

Just a few miles west of crazy

I'm driving as fast as I can

Just a few miles west of crazy

I'm driving as fast as I can
