

# Brolle Jr, Stranger Than Fiction

We went out  
About a week ago  
There's no doubt  
Love was beginning to show

Now we meet again  
And something sure ain't the same  
My heart beats  
But you have turned down your flame

I don't know what to do  
I'm depending on you  
And you're so hard to follow

Your love is stranger than fiction  
Tonight  
Stranger than contradictions  
Sometimes

I was blessed  
And now you hurt me so  
You said yes yes yes  
And now you want me to go

I don't know what to say  
I got nothing today  
Will I get it tomorrow

Your love is stranger than fiction...

Everybody need to pull them through  
Everybody need someone and I need you you you

Your love is stranger than fiction  
Breaking every conviction  
Stranger than contradictions  
Tonight

Your love is stranger than fiction...
