

# Bronski Beat, Close To The Edge

Hundreds & Thousands (Somerville/Steinbachek/Bronski)

Ooooh.

Close to the edge, close to the edge  
And I won't fall over, won't fall over no way  
Close to the edge, close to the edge  
And I won't fall over, won't fall over no way

Ooooh.

Don't stand and watch me, it's a long long way down  
Don't stand and watch me, it's a long long way down, yeah  
Watch me fall, would you catch me as I fell?  
Watch me fall, would you catch me as I fell?

Ooooh.

Ooooh. Save me save me.  
Ooooh. Save me save me.  
Ooooh. Save me save me.  
Ooooh. Save me save me.

It's a long way down. It's a long way down.  
It's a long way down. It's a long way down.  
It's a long way down. It's a long way down.  
Close to the edge, but I won't fall off  
Close to the edge, but I won't fall off
