

Bronski Beat, Infatuation/Memories

Hundreds & Thousands (Somerville/Steinbachek/Bronski)

Ooh, ooh, ooh, ooh
Memories, sweet memories
Lost in these memories
Lost I should stay

Days, brilliant days
Love filled these brilliant days
These days are foregone
Alone, alone I pray

Love that was wonderful
Love nobody knows
My head it cries from wall to wall
My heart will scream down down I fall

My heart, down I fall, down I fall

Down fall!
