

Bronski Beat, Need A Man Blues

The Age Of Consent (Somerville/Steinbachek/Bronski)

Need a man blues

He-e-hey!

I got those need a man blues

Driving me mad

I go those need a man blues

Hurting me bad

Sweet sweet sweet

Is the taste of a man

And sweeter still is the taste

Of his sweet tasting love

Evil, wicked or angel

Just give me a man

Evil, wicked or

Angel

Need a man blues

Need a man blues

Angel hurting me bad

Boys and heroes lovers and men

Turning me upside down

Again and again

Again and again

He-e-hey

I got those need a man blues

I got those need a man blues

Hurting me oh so bad

And the sweetest thing of all

Is men loving men loving men loving men

Is men loving men loving men loving men

I got those need a man blues

I got those need a man blues

Ne-he-he-he-he-he-he-ed a man blues

Ne-he-he-he-he-he-he-ed a man blues

Ne-he-he-he-he-he-he-ed a man blues

Ne-he-he-he-he-he-he-ed a man blues

Angel!
